Call to Order: By President Pro Tem Lynne Hooker

President's remarks: Lynne welcomed everyone to the next to the last meeting of our first year. The next meeting will be a "fun" meeting. We will have the election of new officers, followed by a "show and tell" by members. Members can talk about what they are doing, what successes and problems they have had, their brick walls, etc. The next meeting will be Saturday, May 21.

Secretary's Report: Marjorie Frampton was absent. In her absence Sally Nelson served as acting secretary and read the minutes from March. A question was raised about the location of the Heritage Quest training mentioned in the minutes. Directions were given. Ralph Nelson moved the minutes be approved as read. Gene Chap seconded. Motion carried.

Treasurer's Report: Gene Chap reported there is currently \$536.91 in the bank of which \$223.99 is set aside for the book fund. The Society has spent \$50. On a book to donate to the Library. Another \$75.00 to \$100.00 is committed for several other books that are on order. (Call Judy Lally to get titles).

Membership Committee: Caroline Miller welcomed everyone.

Carolyn asked anyone not receiving a renewal form to please see Gene Chap to get one.

Carolyn announced that the tri-fold brochure is almost ready for printing. They are waiting for one more item and then it will go to the publisher. She has a list of libraries, senior citizens centers, restaurants, banks, etc., but still would appreciate your suggestions of other places to put the brochure. This is important because it will help determine how many brochures to have printed. See her at the end of the meeting with your suggestions.

Carolyn hopes to have the brochure ready for distribution by next meeting.

The May meeting is coming up and it marks the end of the membership year. Every member will receive a renewal form if they have not already gotten one. Carolyn explained the format of the form. Please pay particular attention to the e-mail address. We are having problems with members not receiving their e-mails. If there needs to be a change to the name, address, phone no., or e-mail, please indicate the change in the space provided.

Education Committee: Audrey announced the Genealogy On Line book discussion group is going strong. There are 10 members.
